

Security Audit Attestation Letter

To whom it may concern,

This letter is to attest that Doyensec LLC performed a security audit targeting ToDesktop for Electron App, as agreed with ToDesktop, Inc.

The security audit was performed between 01/13/2025 and 01/17/2025. The audit consisted of a white-box web security engagement.

The security audit involved manual and automatic security testing to discover vulnerabilities present in the system. A detailed summary of the engagement goals are listed hereby:

- Identify misconfigurations and vulnerabilities in the ToDesktop for Electron App platform
- Evaluate the overall security posture and best practices compared to industry standards
- Review the overall system design in term of security and privacy

All issues have been addressed in a timely matter by ToDesktop. No outstanding security vulnerabilities discovered during this engagement exist.
